

Howard County Auto Heritage HOF Presents:

Apperson Brothers Statue Project

Mission:

Howard County Automotive Heritage Hall of Fame through contributions will be able to install a life size statue of the Apperson Brothers. This statue will recognize and commemorate their impact and long lasting contributions to Kokomo/Howard County. Those contributions went on to manufacture America's first car and early development of the automobile. Please consider donating and being a part of this historic project.

Please See Options:

With your donation you will receive 1 of 2 bricks made out of cement or granite engraved in your name or specific name given. Major donors will receive their name or specific name given on a plaque placed right next to the Apperson Brothers Statue. Please see details below.
